

Biography

Colin is a Global Travel Analyst at Meritor, Inc., global provider of axle, brake and suspension solutions to original equipment manufacturers and the aftermarket for the transportation and industrial sectors. Colin graduated from Michigan State University in 2012, majoring in Economics, with a focus in Advanced Mathematics and Statistics. At Meritor, Colin is responsible for the global travel and expense metrics, reporting traveler compliance, supporting the Global Concur booking tool (includes corporate discounts & travel policy), and auditing of expense reports. Recently, Colin has been responsible for the implementation and deployment of the Concur Expense tool in the APAC region. His experience in assisting with the management of the Meritor Global Travel program has not only enriched his knowledge of the travel industry, but also helped him to further hone his organizational and analytical skills. Colin has been a member of MBTA for over three years, attending nearly every meeting. Colin currently sits on the MBTA Executive Board as the Vice President (position held for one year).

President Role

The Travel industry immediately became my passion, at work and in my personal life. I fell in love with every aspect: the opportunities, tasks, people, and culture. After evolving within the travel world and being mentored by my travel peers, I knew I wanted to be a part of the industry for my career path going forward. After joining MBTA three years ago, I volunteered to take on the Technology Committee after my first year and later becoming Vice President in my second year. Our local MBTA chapter vision of education, personal growth, mentorship, and networking, as well as GBTA's, is aligned with my personal and professional goals. I plan to continue to assist and keep that vision moving forward by becoming the President of our local chapter.

If honored and elected President, it will be my pleasure to support each and every member to my full capacity. The responsibilities and well-being of each member, guest, and speaker will be my top priority. Continuing Debbie Grave's tremendous success, our chapter will remain the leader in education and information in the travel industry. I would truly be honored to serve as President of MBTA.
